Applicator Tool

Our menstrual cup applicator is designed to make inserting your cup easy and mess-free, with a smooth and seamless application process. (must be used with lubricant)

Hassle-Free Cup Applicator Insertion

STEP 1

Fold menstrual cup and insert it into the applicator.

STEP 2

Hold the applicator firmly and position it comfortably.

STEP 3

Gently push the plunger to release the cup into the desired position.

STEP 4

Remove the applicator and ensure the cup is placed correctly.
